RESPONSE UNDER 37 CFR 1.111

Dear Sir:

In response to the Office Action of October 4, 2005, please amend this application as follows:

In the claims:

Please amend the claims as per the claims amendment sheet.

REMARKS

Reconsideration and further examination is respectfully requested.

Applicant has re-numbered the claims as requested. The independent claims are 1, 2, 3, 4, 10, 11 and 12. Claims 1-4 are apparatus claims. Claims 10-12 are method claims.

Claims 3 and 4 recite a "self-metering automatic" fire fighting nozzle in the preamble. Claims 3 and 4 both further recite a fire fighting liquid conduit having a discharge orifice that varies in size with supply pressure of the liquid. This relates to the automatic feature. Peck does not teach or suggest a fire fighting liquid conduit having a discharge orifice that varies in size with supply pressure of the liquid. Peck's liquid conduit appears to have a discharge orifice that could
